Dear Mr. Healy:

This letter is regarding your Freedom of Information Act (FOIA) appeal dated August 29, 2014, which was received in our Washington Office FOIA Service Center, Office of Regulatory and Management Services (ORMS) on the same day, and assigned tracking number 2014-FS-WO-00204-A. You are appealing the Forest Service's July 5, 2014, response to your January 8, 2014, FOIA request, which was assigned tracking number 2014-FS-WO-02680-F. In this request, you sought, among other things, the "report that was produced from the USDA Forest Service's Office of the Chief, Office of Communication, Misconduct Investigation that was launched in 2013." You are appealing the adequacy of the search conducted in response to your initial request.

We are writing in the hopes of determining whether you are still interested in receiving a response to your FOIA appeal. On November 6, 2018, we emailed you to ask if you remain interested in receiving a response to your appeal. As you have not responded to our email message, we are following up with this letter.

Please contact FOIA Team Lead Harald Fuller-Bennett at your earliest convenience to let us know if you would like us to continue to work on your FOIA appeal. You can reach Mr. Fuller-Bennett at 202-205-1317 or via email at [hfullerbennett@fs.fed.us](mailto:hfullerbennett@fs.fed.us). If we do not hear from you within 30 days of the date of this letter, we will presume that you are no longer interested in receiving a response to your appeal.

Sincerely,

***Sara L. Sullivan***
